To Cotswold District Member Councils

Due to the resignation of Cllr Stephen Hirst (Tetbury TC) from the committee, we have a vacancy for a member to represent Cotswold councils.

The Executive Committee is comprised of 3 councillor members from each of our administrative districts (Cotswold, Forest, Stroud and Tewkesbury) and one clerk representative.

It meets 5 or 6 times a year (usually in Highnam on a Thursday afternoon 2-4pm) and has the responsibility for conduct, management, control and administration of the affairs of the Association. It is an interesting role for a councillor, giving a wider perspective on the work of parish councils and seeking to ensure that the best possible service is provided to members. We can put interested councillors in touch with a member of the Executive Committee if they wish to hear first hand about the role.

We are seeking nominations and if there is more than one, we will hold an email election.

Please could we have nominations by Friday 30th November. These do not have to be approved by councils.

Kind regards

Sue Creswick
Senior Adviser
