Good Morning Caroline

Sorry for the delay in providing you with an estimate for closing off the old bus stop extending the footway etc on the A419 which would limit the length of road for pedestrians to cross and make them more visible. These works are in the region of £7500 regrettable I cannot be more accurate as the full cost of the road closure and diversion along with making good the old tarmac bit of the bus stop has yet to be fully worked out so I have included some contingency in this.

Hope this helps

Regards
