NEWS FROM CHURN BENEFICE

A few Sundays ago, I was up early as it was my turn to take the 8am service at All Hallows Church. After having my breakfast and getting myself ready to go I picked up my bag and just as I was heading out of the front door, I realised that I had forgotten my keys to the church. I headed to the place they normally live only to discover that they were not there. I started to think of the last time I had used them and began searching. I looked in my coat pockets, trousers pockets, the washing basket, in various bags I had used to take things to church, on my desk, in the kitchen. Eventually I found them tucked away in a drawer, a very unexpected place. I was very relieved to have found the keys and quickly headed out of the door to get ready for the service. I am sure that I am not alone in having lost something like a pair of keys and having that feeling of relief and joy when you eventually find them, something in the least expected place.

In the Bible Jesus tells several stories about things that are lost and then found but perhaps my favourite of these stories is the parable of the lost sheep (Luke 15 verses 4-7). In the story there is a shepherd and his job is to look after one hundred sheep. The shepherd knows all the sheep, cares for every one of them and each night he counts them safely into the sheep pen. One day the unthinkable happens and as he is counting the sheep, he realises that one of the sheep is missing. So, the shepherd goes off in search of the lost sheep and he searches and searches and searches, not giving up until he has found the lost sheep. Once the lost sheep has been found he is so happy that he gathers together his friends and neighbours for a party. One of the reasons I like this parable is that it reminds me of God's unconditional love for each and everyone one of us and how deeply God cares for us.

Since that Sunday I am trying to be more mindful of putting my keys back in the same place so they are always there when I need them.

NEIGHBOURHOOD WATCH NEWS FROM OUR COORDINATOR - JULIE TOMBLIN

I continue to receive alerts regarding scam telephone calls. Most recently where the person says they are from the DVLA and a direct debit has ended making their car no longer road legal. DVLA will only contact you to tax a vehicle and provide a code to do so.

Also a scam where the caller claims to be a police officer who has arrested someone in possession of a cloned bank card, they will then ask you to move money. Please be aware neither the police, nor your bank will ever ask you to withdraw or move money, or reveal your PIN number.

Trust your instincts, if you feel a call is suspicious just say no and put the phone down.

If you have a neighbour who you know is either vulnerable or does not have access to email could you please keep them up to date with any urgent alerts.

If you are aware of any suspicious activity in the village, or a scam caller is repeatedly bothering you, please let us know Julie 01285 641111 or newsletter@prestonpc.org.uk.
