Good Morning

Thank you for the email and confirming acceptance of the name.

All local authorities following national guidelines when creating new addresses/naming new streets to ensure that all new addresses follow a set format. The guidance strongly recommends that punctuation should be avoided, as not all databases can accept it. Please see a link to the guidance below –

www.geoplace.co.uk/street-naming-and-numbering/guidance-for-officers/street-naming-numbering-best-practice/apostrophes#:~:text=However%2C%20the%20Data%20Entry%20Conventions,can%20be%20misinterpreted%20by%20computers

Based on the recommendation we therefore try to avoid the use of apostrophes in all new addresses to prevent any issues or discrepancies between different datasets and stop any confusion when addresses are given to call handlers in an emergency situation.

I hope this helps to explain why we have excluded the apostrophe and propose to proceed with the name 'Michaels Barns'.

I will wait until 12th February 2024 before approving the name just in case you have any further comments or need any further information.

Thank you for your help.

Kind regards
Julia

Julia,

Thank you for your recent email about the name of the barns on Kingshill Lane. The Parish Council has no objections to the name Michael's Barns provided that the apostrophe can be included.

Best Wishes,

Caroline

Caroline Braidwood
Clerk to Preston Parish Council

Good Afternoon

Further to our email conversation last year (please see below), the developer has recently been back in touch to advise that they are now ready address the new development.

A new commitment letter was prepared to allow a new commitment to the development which will be

As per our original plan, we are proposing to allocate a new court name to the development which will be addressed onto 'Kingshill Lane'. The developer would now like to propose the name 'Michaels Barns' and included the following supporting information –

Michaels Barns: our thinking behind this name is that Michael and Mary Harris owned Forty Farm; the family sold this site to Mowles Developments Limited.

Michael and Mary Harris bought the farm in the 1950's and have lived there and been part of the community since then. Sadly, Michael Harris passed away last January and unfortunately Mary's cancer returned and she passed away in March '23.

Paul Harris, one of the sons, and all the family still live locally. We feel it would be a mark of respect to call our site MICHAELS BARNS, part of the history of Preston.

To confirm this will make the format for the new addresses, as follows –

House name
1 – 5 Michaels Barns
Kingshill Lane
Preston
Cirencester
GL7 (to be confirmed by Royal Mail)

As this is a new court name (not a street name), the plan is to approve the name unless we receive any valid objections. Therefore if you have any comments that you would like to make regarding the proposed name, please can I ask you to send them to us by Monday 12th February 2024.

Thank you for your assistance.

Kind regards
Julia
